Getting Started User Guide

Introduction

This User Guide will walk you through how to create a profile in Account View. Here are a few things to keep in mind:

- The first time you access Account View and going forward, you can do so on your desktop computer, tablet, or mobile device (either iOS or Android).
- You will need to have your email open in order to retrieve a verification message that will be sent from noreply.myaccountviewonline@lpl.com. Adding noreply.myaccountviewonline@lpl.com to your contacts or address book will ensure receipt of the verification message.
- Have one of your LPL Financial account numbers on hand, as it will be required to validate your identity.
